**EE: PEMEN Strike Action against Greek Government attacks**

Dear Comrade,

On behalf of the MUA Sydney Branch I would like to send our fraternal greetings to your Union and congratulate you on your struggle against the Greek Government and capitalist class who continue to respond to the crimes of big business by smashing the wages and conditions and rights of workers.

It is incumbent on revolutionary Unions and organisations like yours to lead the Greek working class against these hostile attacks against the Greek people. The strike action that you are taking is an extraordinary effort in what is an extraordinary fight for justice for the Greek working class.

We commend you on your history of militancy in securing outcomes for Greek seafarers and your solidarity with the working class internationally.

We offer you our full support and solidarity and look forward to your inevitable success.

Always in Solidarity,
